

Made from high-tensile COLORBOND® steel in custom cut lengths up to 9 meters

	<u>Surfmist®</u> Embodies qualities of freshness, purity timelessness & independency. Snow, the mist from the sea & surf, pure white sand, & the billowing sails of yachts all remind us of this colour. Solar Absorptance 0.33 – reflectance index 81
	<u>Thredbo White™</u> Thredbo White is a bright, snowy white colour with a high-gloss or smooth finish Solar Absorptance 0.29 – reflectance index 88
	<u>Classic Cream™</u> lives up to its name. It is a classic, conservative, safe & neutral colour that appeals to a wide range of consumers throughout Australia. Solar Absorptance 0.33 – reflectance index 81
	<u>Woodland Grey®</u> is inspired by the depth of cool green forest, the canopy of eucalyptus on a rugged mountain plateau, the twisted bark & deep olive green leaves of tea tree along the coast, mossy boulders & ferns in mountain crevices. Solar Absorptance 0.70 – reflectance index 31
	<u>Monument®</u>^ **Inspired by the dark tones of the imposing volcanic rock formations along our southern coastline, a deep & empowering grey. Confident, strong, & highly sophisticated. Solar Absorptance 0.73 – reflectance index 27
	<u>Nigh Sky®</u> Powerful & robust, Pure & neutral, is reminiscent of our vast midnight skies & ancient granite minerals of the earth. Solar Absorptance 0.95 – reflectance index -1
